Admiral Stansfield Turner Director Central Intelligence Agency Washington, D.C. 20505

Dear Stan:

Thank you so much for the very pleasant and enlightening breakfast this morning. I did not know either or John Stein so it was nice to get to meet them as well as to hear your views along with Frank Carlucci's.

Maybe in July or August I could set up another such gathering with different Senators. Let me know whether you think that would be worthwhile.

Warm regards to you and Pat.

Sincerely yours,
